

**Austin Independent School District Student Transfers 2008 – 2009
Majority-to-Minority Transfer**

Students may transfer from a school where the student’s ethnic group is more than 50 percent of the school’s population to a school where the student’s ethnic group is less than 50 percent of the school’s population. The purpose of the majority-to-minority transfer is to complement the District’s student assignments and promote diversity throughout the District. The transfer to that school shall be allowed if space is available. To receive priority consideration for a majority-to-minority transfer, the request must be received no later than the tenth school day after the first Saturday in February of the prior school year. For the purpose of majority-to-minority transfers, two ethnic groups are defined:

- Black (and not of Hispanic origin) and Hispanic students.
- American Indian/Alaskan Native, Asian/Pacific Islander and White (and not of Hispanic origin) students.
