May 2019 - 2017 Bond Budget Amendments

Contingency Transfers

Doss - The dual language program required an increase in the space program from the typical Ed. Spec. to accommodate additional classrooms. The final design relocated the building to the north east corner and increased it to three stories, utilizing the natural topography of the site. This resulted in saving significant green space and trees, but required demolishing and rebuilding the existing library, which had been planned to remain. The existing gym was able to be preserved due to its good condition, and location onsite.	\$1,300,000
