ADDENDUM 1

IFB 19RFP009 - Trap Waste Services

Corrections to Attachment A listing schools and facilities and school closures.

- **The following schools/facilities no longer require trap waste services:**

Allan Elementary
Alternative Learning Service

Correction to name of school:

Pearce is now Bertha Means Sadler

- **School Closures:**

Note: many of the schools are closed for extended holidays and during the summer and will not require services during these closures. The cycles are estimates of requirements but will change based on the facilities use.
