- The Calendar Task Force is charged with developing and recommending an instructionally sound calendar for the 2024-2025 school year that focuses squarely on the district's academic mission and Strategic Plan. The Task Force shall place the needs of all students first and foremost, but shall also consider the needs of parents, the community and district staff.
- Review of 2023-2024 calendar and different dates that were selected and amended by the Board of Trustees.

Build a Calendar

Proposed Calendars A-E were presented and the summary overview was discussed (drafts were developed based upon the committee's input). Members voted and the highest vote calendars were A and D.

Conclusion

- Meeting minutes from the previous two meetings, September 6 & 27 were accepted by the committee.
- As a result of the final calendars A and D, a survey will be distributed to stakeholders and results reviewed at the next Calendar Meeting on December 6th.
