

# TRAVIS COUNTY BOND PROJECTS FORUM

DECEMBER 4, 2019  
4:00PM - 6:30PM

## ASIAN AMERICAN RESOURCE CENTER

8401 Cameron Road • Austin, TX 78754

In November 2017, the voters of Travis County approved an almost **\$185 million** bond package. Proposition A of this package included roadway, bridge, drainage, bicycle and pedestrian projects. Proposition B focused on park and land conservation projects. The Forum will provide critical information and strategic networking for vendors interested in these projects.

### INFORMATION

County staff will be on hand to discuss the projects, explain the bidding process, provide best practices, and answer your questions. In addition, several other local agency partners, including the City of Austin, ACC, AISD, Capital Metro, UT System, and UT Austin, will be in attendance to share their upcoming initiatives and projects.

### NETWORKING

Travis County is very intentional about creating opportunities for networking, especially between prime vendors and subcontractors. We will have several vendor and agency booths on site. Come prepared to share about your business and exchange contact information.
