- Up to 10 minutes of public comment will be allowed per meeting with a limit of **one minute per speaker**.

Agreements

- Stay engaged (Ask and respond to questions, etc.).
- Please keep your camera on (if possible). Your “in-real time” face and authentic presence are important to all of us.
- Extend respect to fellow members inside and outside the committee.
- Be mindful of being a dominant voice. We want to hear all voices.
- Share and make space for others to share questions and perspectives.
- One mic, one voice. Refrain from using the chat for side conversations.
- Speak only from the “I” perspective.

Meeting Goals

- To have a collective understanding of each other's goals and strategies
 - In cases where the goals are aligned, we would like committees to work together to develop one common goal and set of strategies.
- This work will continue on 9/28 with different topics. If additional time is needed, your PMs will coordinate to schedule that time with the committees needed.

Break Out Discussion

- Each co-chair shares the problem statement(s) related to the topic
- Each committee member will then share the strategy that they feel is most likely to disrupt systemic inequity
- Each subject matter expert introduces themselves and provides any insight to what they have heard
- Things to think about during discussion
 - Do you think there are any opportunities for a shared goal?
 - What information do you need from SME to progress the work?
