ABOUT WRITE TO ME FOUNDATION:

With a vision to celebrate experiences that are often overlooked for children in the foster care system, Gigi Edwards Bryant created the Write to Me Foundation (WTMF) in 2000. The Foundation provides year-round rites of passage experiences and support to adults and children who have experienced the foster care system. Assistance can be requested at critical moments and life's moments that would ordinarily be addressed by family support. PROMRack has been extended to the community due to generous contributions.
